

Shop Online and Telephone.

Here is an update of initiatives we are undertaking at New Look Interiors due to the COVID-19 virus issues.

Firstly, we want to let our loyal customers know that we are thinking of you and your families, and hope that all is well as we "double down" on efforts to socially isolate and social distance that is needed to keep us all safe.

Secondly, we have implemented some practices to help deal with the virus issue.

- We have temporarily restricted access to the kitchen design, tiles, flooring, bathrooms, window coverings and hardware areas.
- We are continuing to tint Benjamin Moore paints for customers via telephone orders, and Online orders (www.newlookonline.ca) and have a pickup area at the store or can offer free delivery within city limits.
- We continue to disinfect all public areas and work surfaces several times daily.
- We have several staff that have taken time off in order to keep themselves and vulnerable family members safe.
- Staff are washing hands regularly with soap and hot water.

- We do ask any customers who may be unwell, to not come in the store, but again, if you need paint products, Please order ONLINE and we can deliver directly to you.
- We appreciate telephone orders a 250-561-1888, and you can pickup or we will deliver.

Aura Matte

Aura Bath & Spa Matte

Regal Select Ulti-Matte

Open 7 days a week via online and telephone.

Please forward this email to anyone who you think may appreciate our service.

Be patient everyone, this issue of the virus will pass with time.
